egg replacer

蛋粉

## Introducing the next generation of improved egg substitutes!

Eggs are valued for their ability to improve product quality. However, where allergies, high cholesterol and costs pose a concern, many turn to superior substitutions that improve, where common eggs fall short.

ProOVO Egg Replacer is ideal for pastas, noodles and a wide range of baked goods. Offering health benefits and substantial cost-savings, ProOVO Egg Replacer never compromise your product's integrity nor great taste.

Rich in nutrients, cholesterol-free and vegetarian- friendly, ProOVO Egg Replacer is sure to exceed every expectation and prove to be a favourable egg alternative.
